SAY "NO" TO DRUGS

STOP LOOK & learn™

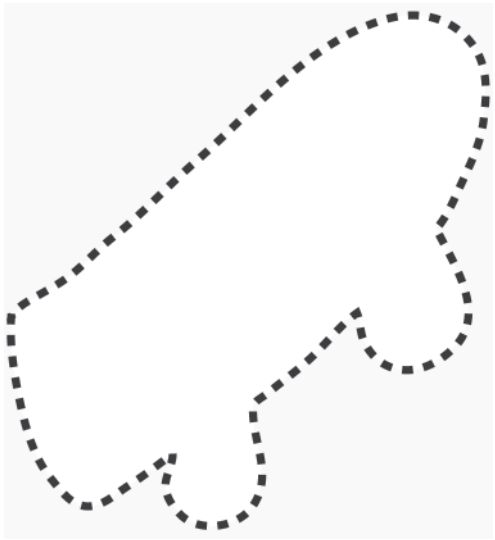

Life is about choices. Good choices make your life better. Bad choices can make you very unhappy.

Choices like eating right, playing sports, and doing your best in school are all good for you.

Choices like smoking, drinking alcohol, or taking drugs are very bad for you.

There are drugs that are okay to take when you are sick. Your parents or a responsible adult give them to you to help you get well. Never take drugs from someone you don't know or someone who wants you to try a drug.

Someone might try to tell you that a drug is candy or tastes good. Never take any food or drink from a stranger unless your parents or a responsible adult is with you and tells you it is okay.

Be smart about who you choose as your friends.
Stay away from people who use drugs!

Real friends won't ask you to
do something that is bad for you!
