# HALLOWEEN SAFETY

An Educational Coloring and Activity Book

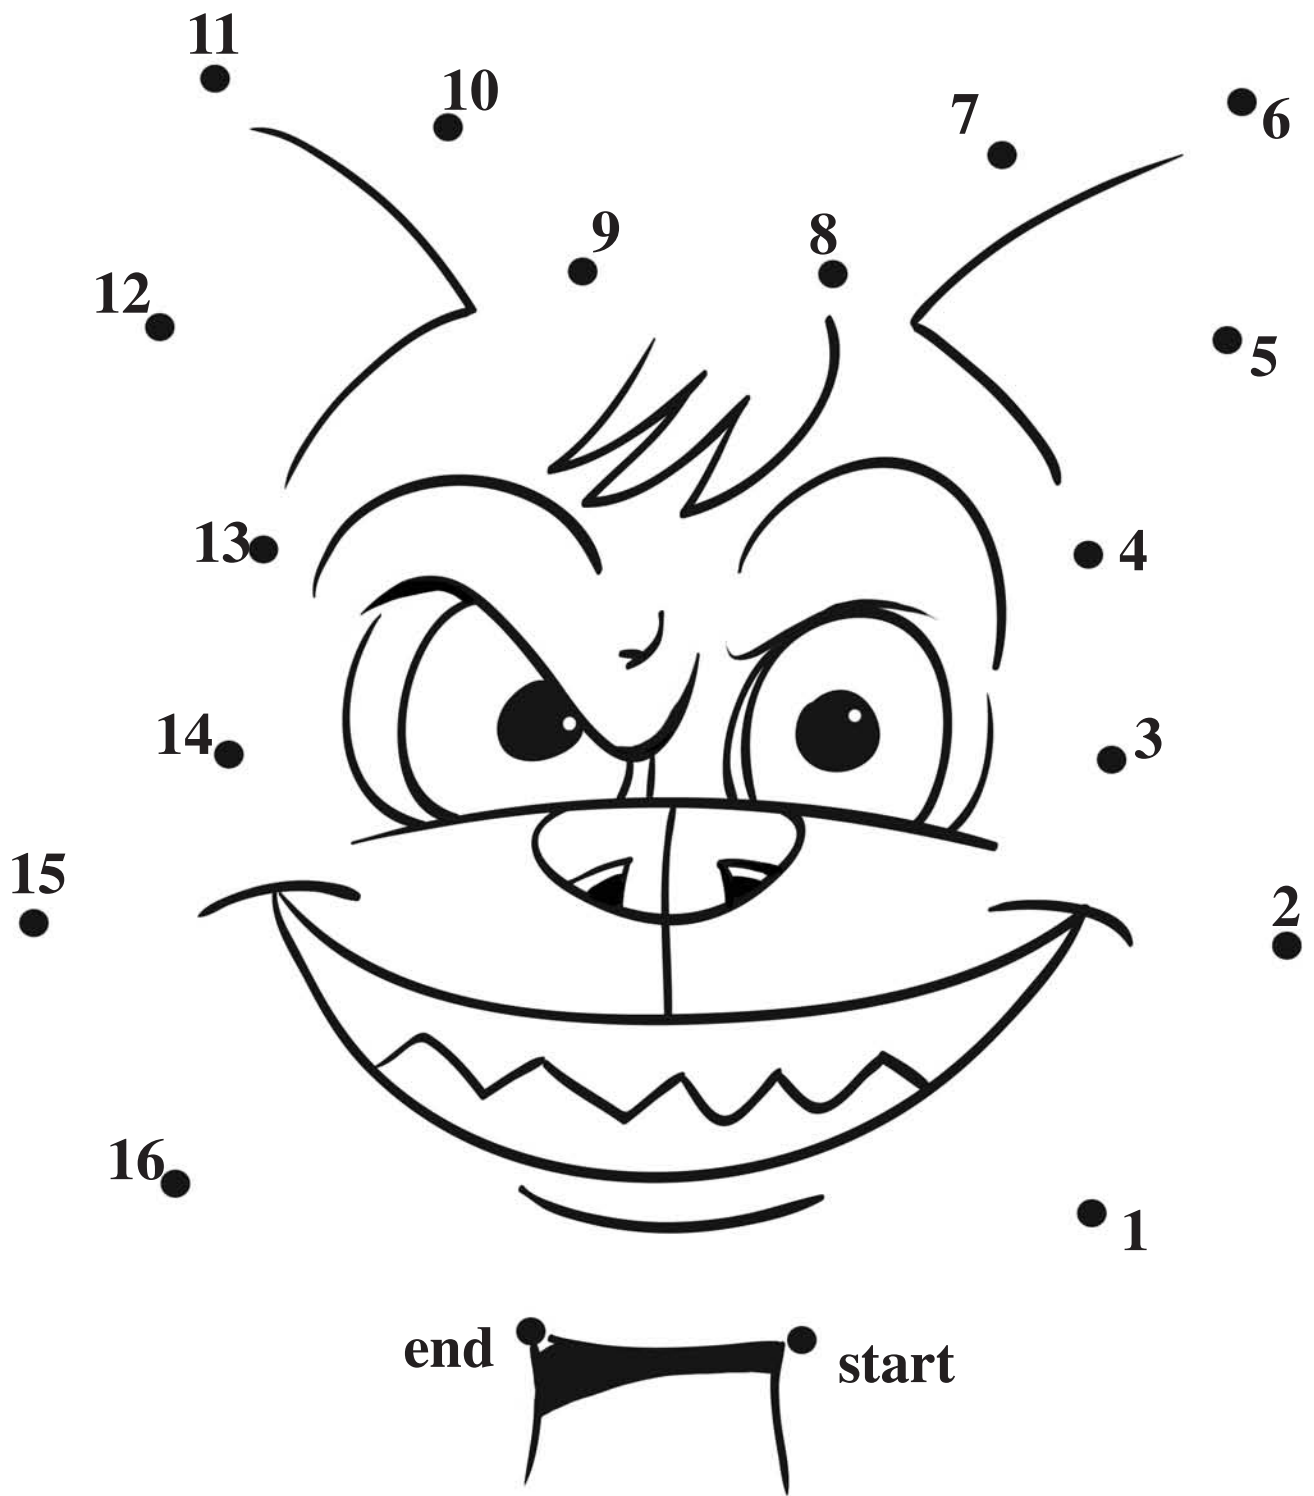

Halloween is fun, but it is even more  
fun when you stay safe.

Make sure your costume fits and is not too long or heavy.  
If you wear a mask, make sure the eye holes are large enough for you to see clearly or try face paint instead.

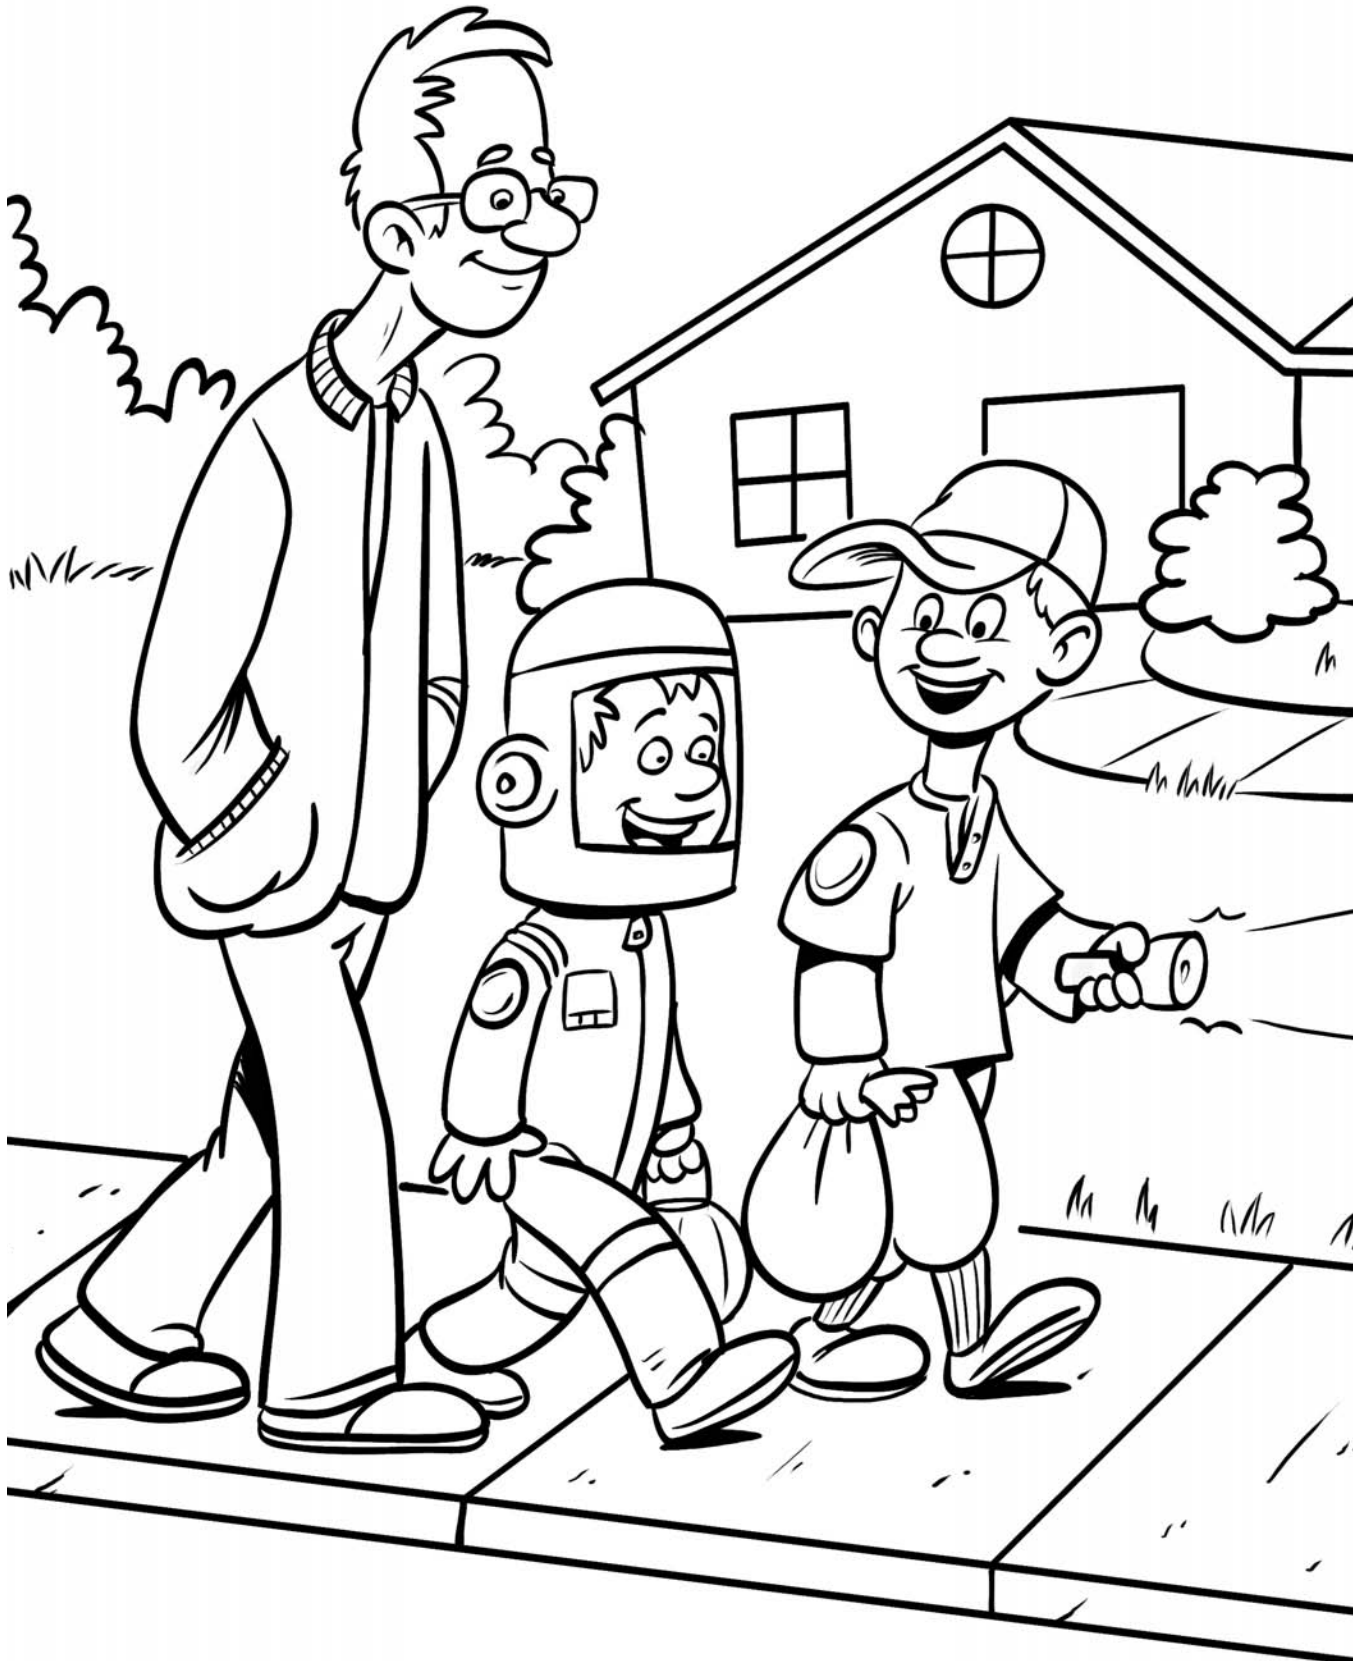

Connect the dots.

Wear a bright costume or put reflective strips on it if it is dark so cars can see you at night.

Always carry a flashlight while trick-or-treating.

Never go trick-or-treating alone.  
Always walk in groups or with an adult.

If you want to decorate pumpkins, use paint or a magic marker. Never use a knife. Always ask an adult to carve a pumpkin for you.

Draw a face on the pumpkin.

Look both ways before crossing the street,  
always use crosswalks, and never run out  
from in between parked cars.

Stop only at houses that are well lit.  
Never go into a house, building or car.

Stay away from animals or pets you don't know.

Find your way through the haunted maze.

Wait until you get home to eat your treats.  
Let an adult check your candy before you eat any.

Remember to have fun this Halloween,  
but most importantly, **STAY SAFE!**
