# **Gun Safety Rules**

**NEVER touch a  
gun.**

**NEVER point a  
gun at anyone  
(even toy guns).**

**TELL an adult if  
you find a gun  
or are around  
someone  
who has one.**

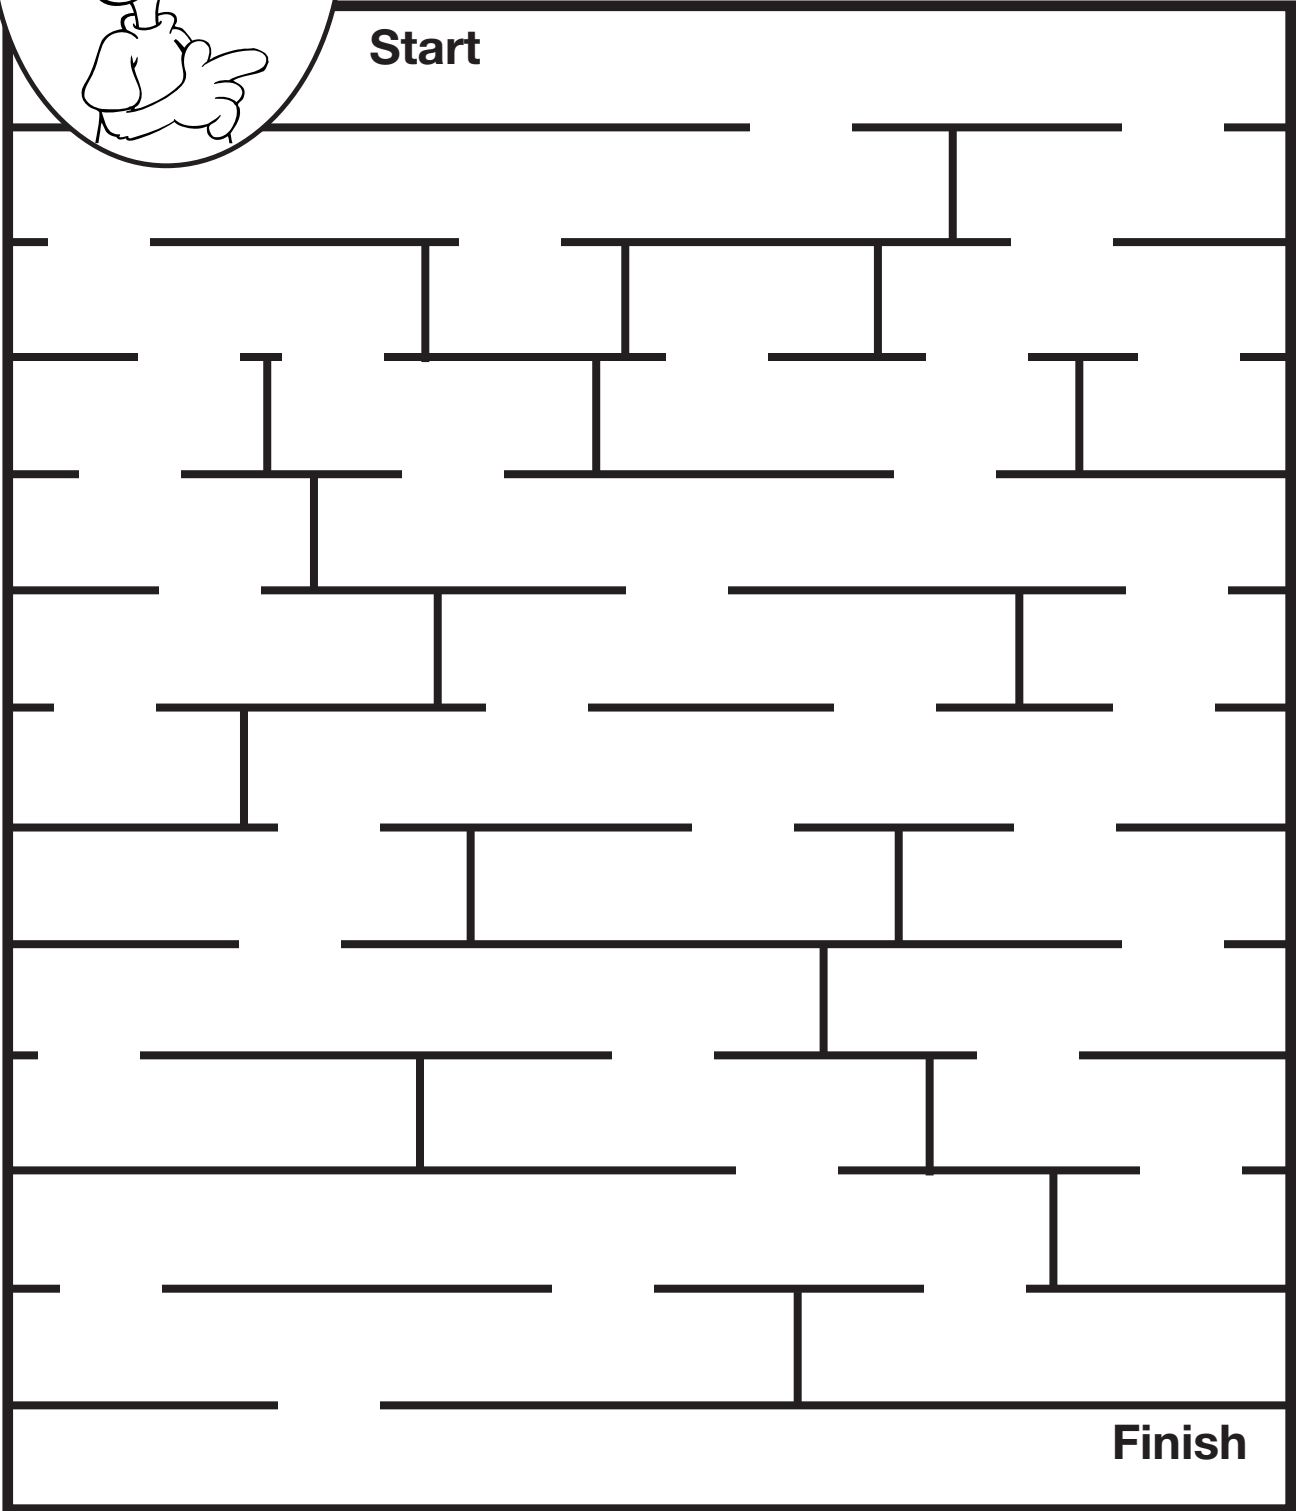

**LEARN gun safety  
or hunter safety  
by taking a  
course to learn  
about the safe  
use of guns.**

**Find your way  
through the maze!**

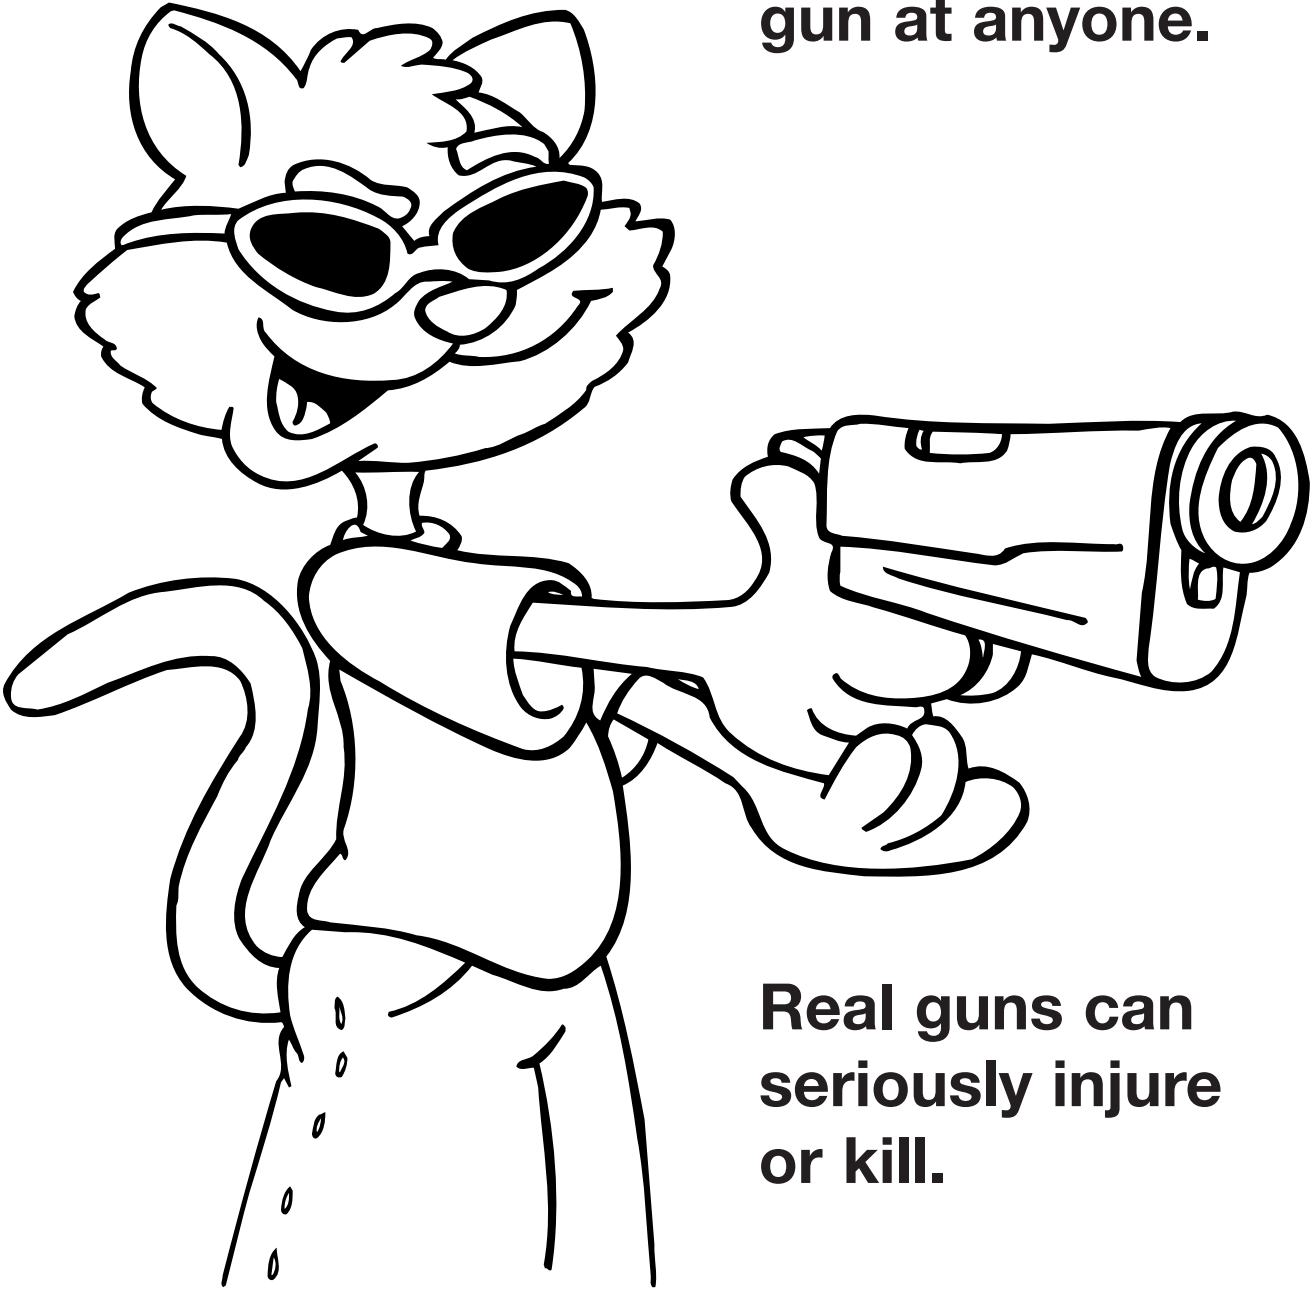

**Start**

**Finish**

**NEVER** point a  
gun at anyone.

**Real guns can  
seriously injure  
or kill.**

It is important to learn gun safety from a responsible adult. Find out if there is a course in your community that teaches the correct gun safety rules.

**Television  
programs,  
videos,  
and movies  
are not  
real.**

**It is important  
to know the  
difference!**

When someone uses a gun in a movie, video game, or television program it is not real. They use special guns that are not real and are only pretending to shoot someone. No one gets hurt. In real life guns do hurt people.

**Someone being shot is not funny.**

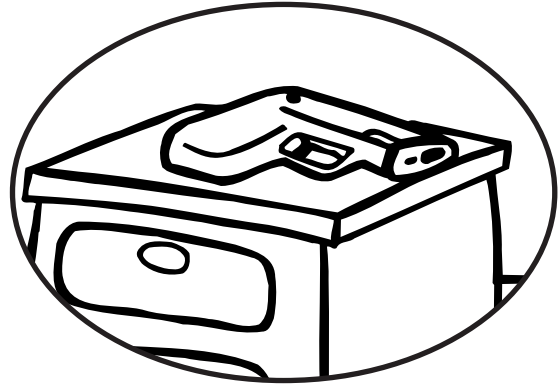

Cartoons are funny. Sometimes it looks like bullets are fired at a character. This is pretend and it is not real. Real bullets would cause serious injuries to someone.

**Find the line that  
connects the  
dog and bear.**
