**Stay warm!**

**Stay dry!**

Wearing several layers of clothing will help you stay warm when playing outdoors. It is important to wear a hat to protect your ears and it will help maintain body heat. Don't forget your mittens to keep your fingers safe from frostbite! Wearing warm, waterproof boots will keep your feet warm and dry.

**Be polite to  
other skaters.  
No pushing!**

Play it safe on the ice. Only go skating on ice that has been checked by an adult and is posted as safe for skating. As the temperature changes from day to day, so does the safety of ice. Always check first. Never skate on ice that is covered with snow. You need to be able to see if it is safe.

Be careful when playing in the snow. Always make certain the snowballs don't contain any rocks or other objects before throwing them. Never throw snowballs at passing vehicles, or at homes or windows.

**Never touch or carry lit  
candles. Do not play near  
the fireplace.**

Never place your tree near the fireplace. Keep all packages and decorations clear of lit candles and the fireplace. Do not burn wrapping paper or trash in the fireplace. Dispose of it properly. Make certain to blow out all candles and check the fire before going to bed.

Play in a safe area. Never play near the road, or on the mounds of snow left by the snowplow near the road. Snow and ice can make the sidewalks very slippery. Always be careful when crossing the street, walking along the sidewalk, or climbing building steps.

ANSWER: Pay careful attention when playing outdoors.

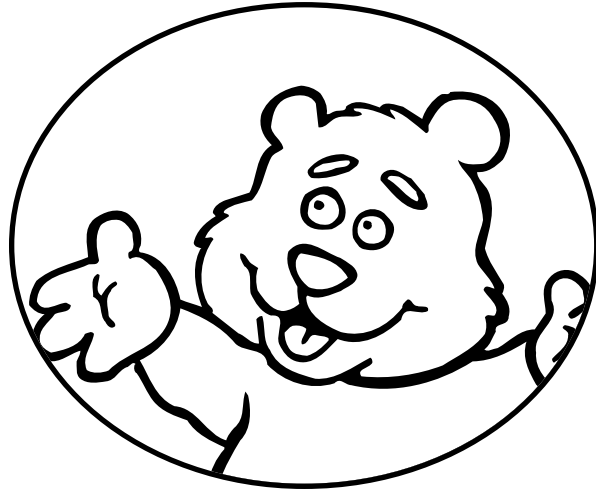

**Decorate  
the tree.**

Sled only on slopes that are clear of trees and other objects. Pay attention and always watch for other sledders to make certain it is clear before going downhill or starting your walk back up. Walk up the hill on the side out of the way of the other sledders.
