**Hi, I'm Bella Bear, the Stranger Ranger.
I'm here to tell you about stranger safety!**

**There are a few simple rules
to follow to stay safe!**

People who look nice and act friendly may not be nice.

And they might not look mean, scary or creepy. Don't take chances!

If someone wants you to see something in their car or ask you for directions, RUN AWAY!

If a person you don't know asks you to help him find a lost puppy or kitten, RUN AWAY! Don't get close to people you don't know. Make sure you have room to RUN AWAY!

**Never take money, gifts or candy
from someone you don't know.**

**Never get in a car with someone you don't know.
If anyone follows you or bothers you, start yelling.**

**Make noise! Fight back! RUN AWAY!
And be sure to tell a grownup.**

Find a safe place to run. Here are some good places to go for help if a stranger scares you.

- **Police Station**
- **Fire Station**
- **School**
- **Library**
- **Store**
- **Coffee Shop**

**Never tell strangers your name,
address or phone number.**

Sit down with your family and come up with a secret code word to use in case of emergency or if someone else needs to pick you up from school.

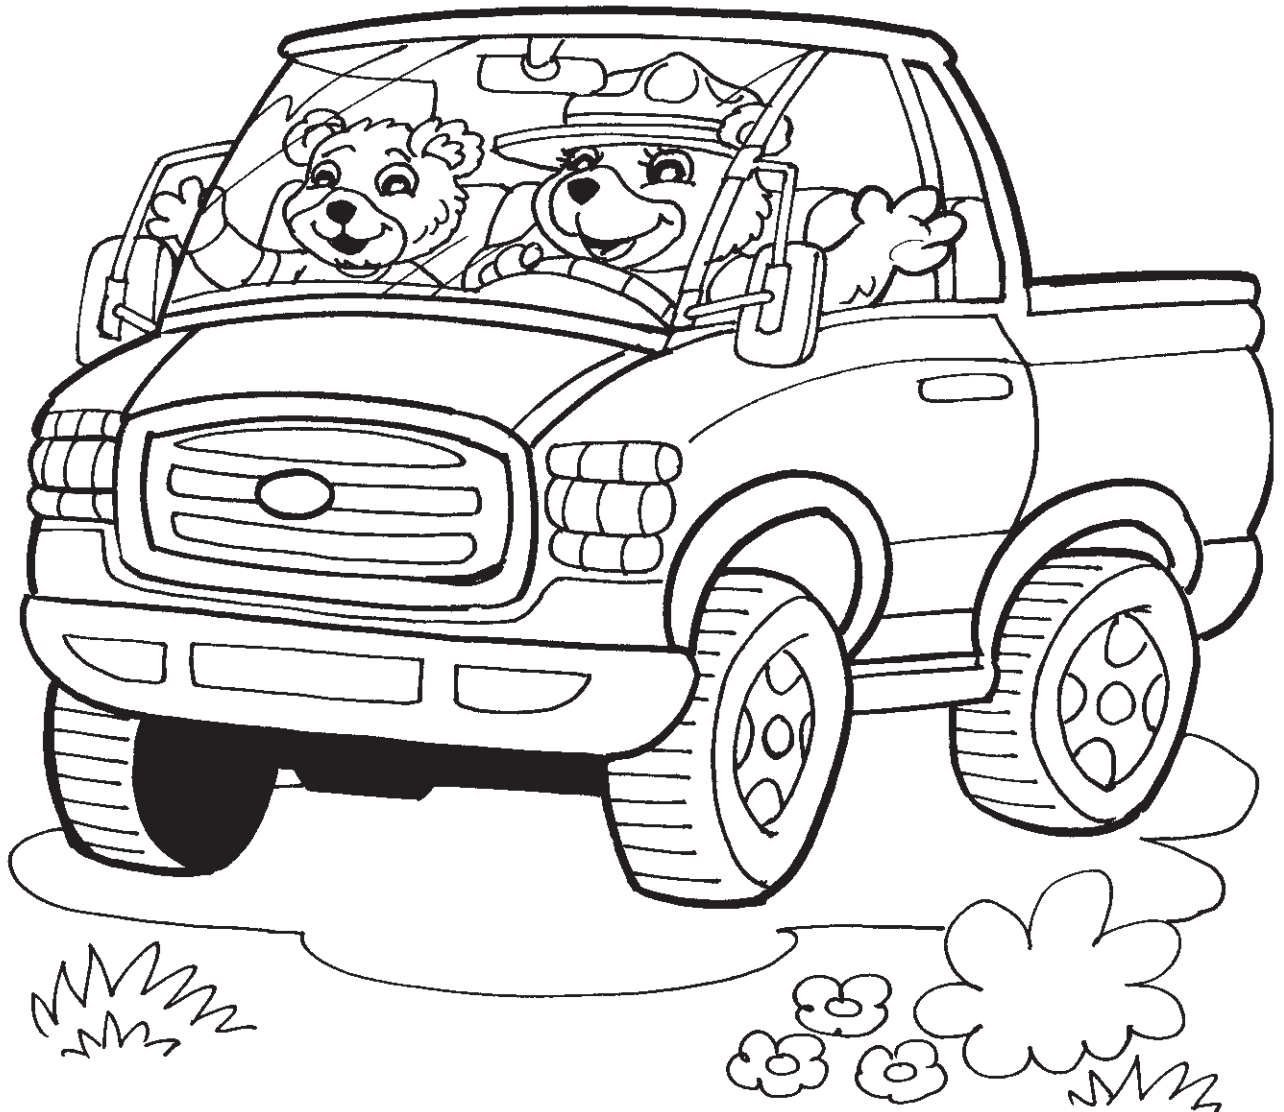

Never go with anyone unless they know the secret code word.

**Tell a grownup about places
where you don't feel safe.**

**Try not to go out alone. And don't take shortcuts through
alleys, empty lots or areas where there aren't a lot of people.**

**You don't have to be scared.
You do have to be smart!**

**Remember these Stranger Ranger
rules and you'll stay safe.**
