

**A police officer's job is to keep
you and the community safe.**

**Police officers do many
different things every day
to keep us safe.**

Sometimes they help direct traffic.

Some officers work in offices, but others do their job in patrol cars, helicopters, boats, bicycles ...

Bicycle

Helicopter

Patrol Car

... and even motorcycles. Vroom!

**A police officer's partner
can also be a dog or a horse.
Sometimes animals can go
where people cannot.**

K-9 Division

**Animals help police officers
do their job and are
part of the team.**

**Mounted
Division**

A police officer provides
education on how to stay safe
at
WORK, **HOME**, and **PLAY**.
